

**SUGGESTIONS FOR FILING OBJECTIONS TO MULTIPLE
CLAIMS IN CHAMBERS OF JUDGE THEODOR C. ALBERT**

The following is required when filing multiple objections to claims:

1. A complete copy of each objected-to proof of claim must be attached to the motion.
2. Each attached copy of a proof of claim must be authenticated by declaration.
3. Exhibit tabs must be numbered to correspond to the claims docket numbers.
4. When the same type of objection is made to several claims, those claims must be grouped together.

Please refer to the Court Manual, § 2.7: Multiple Objections to Claims Calendar [LBR 3007-1]. For additional guidance, please call Judge Albert's Courtroom Deputy, Glenda DeRamus, at (714) 338-5304.
